

Policy No. 5.007
Northwest Louisiana Technical College

Notification of Potential Deficit

Original Adoption: February 10, 2008
Effective Date: February 10, 2008
Last Revision: May 2, 2018

In compliance with Louisiana Revised Statute 39:77 which states that if an entity expends more than the amount budgeted and authorized by the Legislature, this action "... shall constitute reasonable cause for removal from office of the officer or officers, whether elected or appointed, responsible therefore in accordance with the provision of Article X of the Constitution of Louisiana."

To operate in accordance with State law, if a Campus Dean or Director becomes aware of an impending deficit, they are responsible for immediately notifying the Louisiana Community and Technical College Office of Finance and Administration both verbally and in writing of the impending deficit. The written notice to the LCTCS Director of Finance and Administration must include a list of proposed and recommended actions to eliminate the deficit. For purposes of this policy, a deficit is defined as a situation in which expenses exceed anticipated revenues, or spending exceeds anticipated annual budget authority by the end of a fiscal year.

This practice of immediate notification will allow the LCTCS Office of Finance and Administration to assist the Region in taking appropriate measures to avoid the potential deficit. In situations where this policy is not followed, appropriate disciplinary measures will be applied.

To operate in accordance with State law and LCTCS Policy, if the Director of the LTC Region becomes aware of an impending deficit, the Director and/or Director of Finance and Administration is responsible for immediately notifying the LCTCS President both verbally and in writing.

This practice will allow the LCTCS to assist the college in taking appropriate measures to avoid the potential deficit. In situations where this policy is not followed, appropriate disciplinary measures will be applied.
