

Policy No. IS100.46
Northwest Louisiana Technical College

Non Traditional Credit

Original Adoption: June 1, 2007
Effective Date: June 1, 2007
Last Revision: August 21, 2014

Name: _____

Student I.D. No. _____

Campus: _____

Program Major: _____

Non-Traditional Credit

NOTE: To qualify for a credential, an LTC student must meet the specific program requirements outlined in the curriculum in effect when the student enrolls, withdraws/re-enters after a regular semester break in enrollment, or changes majors. LTC Policy limits the number of non-traditional credits that can be applied to a credential:

- A student may use a maximum of 30 non-traditional credit hours toward an Associate Degree, Technical Diploma, and a maximum of 12 non-traditional credit hours toward a Certificate of Technical Studies.

Directions: Provide all information below. Refer to LTC Policy IS1930.171 for Non-Traditional Credit Options. Upon approval by the CAO, the original will be routed to the campus office of Student Records for grade entry into the database, for filing, and for future use in the graduation check processes.

Non-Traditional Credit Data: Attach documentation used to support the Non-Traditional Credit Option used.
