An opportunity to present evidence both documentary and testimonial and to present evidence to the contrary;

The right of the student to be counseled during the proceedings at the student's expense;

A summary record of the hearing, to be kept by the campus for a period of three years subject to provision of existing privacy and disclosure laws;

A written recommendation by the hearing committee upon conclusion of the hearing;

Right of appeal.

Mediation Procedures

Unless the respondent is a faculty member in whose class the student is currently enrolled, a student who wishes to make a complaint under these procedures must within ten (10) days of the alleged either:

Request an appointment with the Campus Administrator of the campus on which the alleged incident occurred; or

Complete a *Student Incident Report* (2.020a) and provide that report to the Administrator of the campus on which the alleged incident occurred.

Within five (5) days of the student requesting an appointment of the Campus receiving a completed *Student Incident Report*, the Campus Administrator meets with the complainant to discuss the alleged incident.

If, in the opinion of the Campus Administrator, no violation of college policy has occurred, the Campus Administrator informs the student and makes a written record of the discussion he/she has with the complainant.

The complainant may accept the decision of the Campus Administrator or file a formal grievance using the procedures outlined in Grievances section.

If the Campus Administrator finds that a violation of college policy may have occurred, he/she offers to:

Hold a *Mediation Conference* during which the complainant has an opportunity to discuss his/her complaint with the respondent, the respondent's supervisor, and the Campus Administrator. (The Campus Administrator may serve as both the supervisor and mediator.) Or;

Investigate the alleged incident and provide feedback to the complainant without holding a mediation conference;

If the incident is deemed to be a potentially serious violation of college policy, provides the student with a *Student Grievance Form* (2.020c); encourages the student to complete and return the form within five (5) working days; and forward it to the appropriate grievance committee.

**Note: If, at the time of the alleged incident, the respondent is a faculty member in whose class the student is enrolled, the complainant has until ten (10) days following the official end of that semester to provide a completed Student Incident Report to the Campus Administrator to discuss the incident.*

Mediation Conference

A Mediation Conference provides an opportunity for the complainant, respondent, respondent's supervisor, and Campus Administrator to discuss and attempt to resolve the alleged incident without a Grievance Hearing.

When the Campus Administrator has found that a violation might have occurred, and the respondent has accepted the offer of a Mediation Conference, the Campus Administrator establishes a day, time, and location for the conference.

She/he notifies in writing, the complainant, respondent, and respondent's supervisor of the day, time, and location of the conference.

In addition, the Campus Administrator provides the respondent and he/his supervisor with a copy of the *Student Incident Report* (2.020a), completed by the complainant, five (5) days prior to the Mediation Conference.

If the respondent chooses not to attend the Mediation Conference, the Campus Administrator provides the student with a *Student Grievance Form*, encourages the student to complete and return the form within five (5) days, and forwards it to the appropriate grievance committee.

If the respondent chooses to attend the Mediation Conference and chooses to respond in writing, the respondent uses the *Response to Student Incident Report* (2.020b).

If the respondent chooses to attend the Mediation Conference and the complaint is resolved to the satisfaction of the complainant, the Campus Administrator notes the outcome in the files, and notifies the Student Affairs Officer.

If during the Mediation Conference, the complainant cannot be resolved to the satisfaction of the complainant, the Campus Administrator informs the complainant that he/she has the option of filing a formal grievance following the procedures outlined in the Grievances section.

Mediation Without a Conference

The campus administrator follows the same procedures (and corresponding timeline) as outlined above for a Mediation Conference but will not hold a face to face conference between the complainant and respondent.

In these situations, the complainant must complete the *Student Incident Report* (2.020a) and the respondent is strongly encouraged to complete the *Response to Student Incident Report* (2.020b).

If the complaint cannot be resolved to the satisfaction of the complainant, the Campus Administrator informs the complainant that she/he has the option of filing a formal grievance following procedures outlined in the Grievances section below.

Grievances

Referral to Campus Grievance Committee, if under Mediation Conference section, may occur if:

The Campus Administrator has found a serious violation of college policy might have occurred;

Or If the complainant has chosen to bypass mediation;

Or If the respondent has chosen not to attend a scheduled mediation conference;

Or If a complainant is not satisfied with the outcome of a mediation conference;

And If the complainant has completed and returned a *Student Grievance Form* (2.020c) within five (5) days of 1 through 4 above, to the Student Affairs Officer;

The grievance is then referred to the campus grievance committee of the campus on which the alleged incident occurred. Incidents that occur off campus are referred to the grievance committee of the campus where the complainant is enrolled.

Prior to forwarding the *Student Grievance Form* to the campus grievance committee of the campus on which the alleged incident occurred, the Campus Administrator attempts to gather any information relevant to the alleged violation of the college policy. Together with the *Student Incident Report* (if any) and the *Student Grievance Form*, the Campus Administrator forwards this information to the committee. This information might include:

Notes from interviews the Campus Administrator conducted with the complainant, respondent, respondent's supervisor, or witness (if any);

Notes from any mediation conference conducted as described in Mediation Conference section.

A brief summary of the other grievances of incidents, on file, found to have merit*, against the respondent (if any);

A brief summary of any on-file administrative charges of similar behavior, found to have merit*, against the respondent (if any);

If the respondent chooses to provide it, his/her written response the *Response to Student Grievance Form* (2.020d) and any accompanying documentation.

**Note: Only grievances, incidents, charges which were (at the time of the incident or incident report) discussed by the respondent's supervisor or Campus Administrator with the respondent and which were either acknowledged to have happened by the respondent or found to have occurred through the grievance process may be given to the committee.*

Record

The hearing may be tape recorded.

All records pertaining to the hearing shall be kept by the College for a period of three (3) years.

Findings

After hearing from all of those who appear and offer relevant testimony, the committee excuses all but its members and retires to consider the grievance. It makes a decision based on the relevant written and oral evidence presented. If the committee finds the grievance has merit, it recommends an appropriate punitive action.

Within ten (10) days of the hearing's conclusion, the chair of the committee notifies, in writing, the Campus Administrator of the committee's findings and recommends punishment (if any).

The Campus Administrator, within five (5) days of receiving the committee's findings communicates, in writing, her/his disposition to all parties to the grievance, the committee members, and the Student Affairs Officer.

A copy of the committee's findings and Campus Administrator's ruling is filed in the respondent's file and in the Grievance Files maintained by the Student Affairs Officer and the Vice President for Career and Technical Education.

Appeals

First Level Appeals- (Campus Level)

If the complainant or respondent wishes to appeal the findings of the committee and/or the ruling of the Campus Administrator, the complainant or respondent must file his/her appeal, in writing, within five (5) days of being notified of the findings and ruling. This appeal must be made to the Student Affairs Officer.

Within five (5) days of receiving the appeal, the Student Affairs Officer notifies, in writing, all parties to the grievance, the committee members, and the Campus Administrator of her/his ruling on the appeal.

A copy of the first-level appeal and the Student Affairs Officer ruling is to be filed in the appellant's file and in the Grievance Files maintained by the Student Affairs Officer.

Second Level Appeals- (Regional Level)

The final appeal in grievance cases is to the Chancellor.

If the complainant or respondent wishes to appeal the ruling of the Chancellor, the complainant or respondent must file his/her appeal, in writing within five (5) days of being notified of the Chancellor's ruling.

Final Appeals- (College Level)

An appeal may be filed for the following reasons **only if**:

New evidence has been brought to light- not available by duly diligent effort at the time of the hearing;

Established procedures have not been followed.

Within ten (10) days of receiving the appeal, the Vice President for Career and Technical Education notifies, in writing, all parties to the grievance, the committee members, the Campus Administrator, and the Chancellor of his/her ruling on the appeal.

Copies of the second-level appeal and the Vice President for Career and Technical Education's ruling are filed in the appellant's files and in the Grievance Files maintained by the Student Affairs Officer.

Campus Grievance Committees

Each campus has a Campus Grievance Committee which consists of the committee members from that campus. A committee member may recuse themselves from a particular hearing if the committee member feels there might be a conflict of interest in the particular case. In the event a member recuses themselves, a replacement, for that hearing, is named by the Campus Administrator.

Sanctions

A student may be required to sign/conform to a behavioral contract, may be placed on probation, or may be suspended or expelled from the College.

Behavioral Contract- a Behavioral Contract is a written agreement which specifies the behavioral expectations that the student is required to follow. A behavioral contract may include, but is not limited to, periodic counseling with a specified staff member, performance of specified assignments, and abstaining from further occurrences of the type that gave to the complaint.

Probation- Probation is the loss of privileges, possible loss of employment in the case of students who are employed by the College, campus restrictions, or special restrictions under which a student may remain in college. A record of the proceedings which led to the sanction is kept on file in the Office of the Vice President for Career and Technical Education for a minimum of six (6) months and a maximum of three (3) years. Since probation does not become a part of the permanent record, it is not reported on the official academic transcript. However, if transfer forms require a listing of disciplinary actions, it is reported.

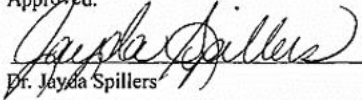

Suspension- Suspension is separation from the College for either a specified period or an indefinite period of time. In either case, the student who wishes to return must apply for readmission. If the student is accepted, he/she may return with either full or curtailed privileges. Since the student must reapply, record of the suspension is kept in the student's official file in the Registrar's Office and on the applicant file in the Admission Office until such time the student is readmitted. When the student is readmitted, the record is kept for a maximum of three (3) years. The notation, *Disciplinary Suspension*, is placed on the student's official academic transcript. This notation is removed after the suspension has expired. However, if transfer forms require a listing of disciplinary action, it is reported.

Expulsion- Expulsion is permanent dismissal from the College without the privilege of readmission. Expulsion may include the revocation of any or all academic credits earned at the College. Expulsion becomes a permanent part of a student's official academic transcript. Records of the proceedings resulting expulsion remain permanently on file in the Office of the Vice President for Career and Technical Education.
