Student Code of Conduct

Student conduct in the environment of an institution of higher learning is expected to be exemplary at all times. The regulations listed within the Code of Student Conduct pertain to students and student life at Northwest Louisiana Technical Community College. The Code of Student Conduct is promulgated by the Office of the Vice Chancellor of Academic and Student Affairs under the power and authority delegated by the Board of Louisiana Community and Technical College Supervisors and through the Chancellor of the College. The Chancellor has delegated the Vice Chancellor of Academic and Student Affairs as the agents responsible for the administration of discipline at Northwest Louisiana Technical Community College.

In support of the mission of NLTCC, the College expects its students, student organizations, and all members of the College community to respect the rights of others, as guaranteed by the U.S. Constitution and the Constitution of the State of Louisiana and to obey all federal, state, and local laws, the rules and regulations of the Louisiana Community and Technical College System Supervisors and of Northwest Louisiana Technical Community College.

NLTCC affirms the rights of a student to fair and reasonable resolution of problems, which may accompany the condition of his/her enrollment. The handling of discipline on the College campus is not a criminal proceeding and will follow College procedures.

Each student is responsible for reading and obeying all rules outlined in the Code of Student Conduct. Regulations are designed to create and promote a wholesome educational environment, which includes honesty, integrity, citizenship, and interacting/communicating with others in a respectful and civil manner. To this means, the College condemns hate speech, as well as epithets and slurs based on race, gender, ethnicity, sexual orientation, disability, religion, etc.

The Articles of Section One list the offenses which may be punished, whether they are committed by a student acting singly or with other students or by members of a student organization, whether the violation occurs on or off College property, and whether or not any action is taken by civil authorities.

Student organizations are accountable for any actions or activities by a member acting singly or in concert with others that result in a violation of conduct standards.

The College may also impose discipline sanctions if an off-campus violation causes the student to be a clear and present danger or threat to the College community or deters the College from its purposes, function, or goals.

Students suspended and/or expelled from another college or university for disciplinary reasons may not be allowed to enroll in Northwest Louisiana Technical Community College

Academic Misconduct

General

Academic misconduct represents a most serious type of student misconduct; therefore, the College must make a determined effort to prevent its occurrence. The College must also develop policies and procedures that assure students of due process protection when academic misconduct is alleged and that provide meaningful and consistent sanctions for students found guilty of academic misconduct.

Equal treatment guaranteed to students by the 14th Amendment to the United States Constitution requires that the same College policies, procedures, and practices be used to consider all allegations of academic misconduct and also requires

the imposing of “like sanctions for like violations” on all students found guilty of academic misconduct. This obligation of the College can be fulfilled only if each instructor reports all suspected academic misconduct to the Office of the Vice Chancellor of Academic and Student Affairs in accordance with the provisions of this Code.

Students may be asked to sign a Student Honor Code in each class at the beginning of each semester. The Student Honor Code is as follows:

I, (student name), agree to abide by the NLTCC policies and procedures regarding types of academic misconduct, the disciplinary sanctions for academic misconduct, and the due process procedures. I agree that all assignments that I do for this course, including tests, will be my own and that I will neither give nor receive any unauthorized assistance.

Types of Academic Misconduct

Although all academic misconduct is wrong, premeditated acts of academic misconduct represent a greater threat to the integrity of the College than do unpremeditated acts of academic misconduct. The following definitions of and distinctions between unpremeditated and premeditated academic misconduct are established.

Unpremeditated

Unpremeditated academic misconduct is an act of academic misconduct taken without advance contemplation, prior determination, or planning, or full understanding that the act is considered academic misconduct: e.g., on the spur-of-the-moment, seizing the opportunity to cheat; collaboration to a greater degree than is permitted in a particular situation; and careless or incomplete documentation of sources.

Premeditated

Premeditated academic misconduct is an act of academic misconduct which grows out of advance contemplation or meditation, prior deliberation, or planning which may, but not necessarily, include the preparation of a written plan or notes. Although prior thought and planning is requisite to premeditation, this prior thought and planning need not exist for any particular period of time before it is carried into effect.

For purposes of filing formal charges, each of the following offenses will normally be considered an act of academic misconduct:

- Copying from another student’s test;
- Allowing another student to copy from a test paper;
- Using unauthorized materials or documents. Having such forbidden material open in sight of the student will be considered prima facie evidence of use;
- Failing to thoroughly follow instructions related to the preparation and presentation of work submitted for credit in a manner that results in submitting as one’s own the work of another, or misleading faculty members as to the condition under which the work was prepared, e.g., working with another on a project that was to be done individually;
- Collaboration during a test with any person by giving or receiving information without authority;
- Using specially prepared materials, e.g., notes, formula lists or notes written on the student’s clothing or body, during a test. Bringing such forbidden material to a test will be considered prima facie evidence of use or attempted use;
- Using unapproved technology during a test, e.g., a smart watch, cell phone, or calculator;
- Stealing, buying, or otherwise obtaining all or part of an un-administered test, including answers to an un-administered test;
- Selling or giving away all or part of an un-administered test, including answers to an un-administered test;
- Bribing any other person to obtain an un-administered test or information about an un-administered test;
- Substituting for another student, or permitting any other person to substitute for oneself, to take a test;
- Submitting as one’s own, in fulfillment of academic requirements, any work such as, but not limited to, a theme, report, term paper, essay, computer software, other written work, painting, drawing, sculpture, or other scholastic art work prepared totally or in part by another;

- Any selling, giving, or otherwise supplying to another student for use in fulfilling academic requirements any theme, report, term paper, essay, computer software, other written or verbal work, painting, drawing, sculpture, or other scholastic art work;
 - Breaking in and/or entering a building or office for the purpose of changing a grade in a grade book, on a test paper, or on other work for which a grade is given;
 - Changing, altering, or being an accessory to changing and/or altering a grade in a grade book, on a test paper, on other work for which a grade is given, on a “drop slip,” or on other official academic records including computer files of the College which relate to grades;
 - Proposing and/or entering into an arrangement with an instructor to receive a grade of “F” or any other reduced grade in a course, on a test, or any other assigned work instead of being charged with academic misconduct under the Code of Student Conduct;
 - Plagiarism is defined as using another’s work as one’s own including words, ideas, or data of others, and/or information from the Internet. The source of this information must be acknowledged through complete, accurate, and specific footnote or comparable references, and, if word-for-word statements are included, through quotation marks as well. Failure to identify any source, published or unpublished, copyrighted or un-copyrighted, from which information, terms, phrases, or concepts have been taken, is plagiarism. Only universally available facts such as the date of Abraham Lincoln’s death are excluded from such documentation requirements. By placing his or her name on work submitted for credit, the student certifies the originality of all work not otherwise identified in references;
 - Attempting to commit, or being an accessory to the commission of, an offense listed above.
-

Instructions for Documenting Alleged Acts of Academic Misconduct

If an alleged act of academic misconduct occurs in a class, the following due process steps will be followed:

1. The instructor will verbally or electronically (e-mail) notify the student of the alleged charges and evidence against the student, will promptly complete an Academic Misconduct Student Notification Form and will document all evidence. The instructor will give the form to the instructor’s supervisor. In cases involving programs with outside accreditation, alternative discipline forms or records may be submitted in lieu of the Academic Misconduct Student Notification Form including NLTCC Health Occupations Discipline Record and NLTCC IIET Discipline Referral Form.
 2. The instructor’s supervisor will schedule a meeting with the student and the instructor and will present a copy of the Academic Misconduct Student Notification Form or alternate form listed above to the student. Failure of the student to attend this meeting will be interpreted as an admission of guilt. In cases concerning distance education students, the meeting may be held via phone conference or via an online venue such as Zoom. The student will be given the opportunity to refute the charges. The instructor and the instructor’s supervisor will then jointly determine if the charges are justified or are to be dismissed, and will complete the Academic Misconduct Student Counseling Form.
 3. If the charges are to be dismissed, the instructor’s supervisor will so note on the Academic Misconduct Student Counseling Form. The instructor’s supervisor will keep a copy of the Academic Misconduct Student Counseling Form in the division office files.
 4. If the charges are deemed to be justified, the student will be advised of the disciplinary sanctions that may be imposed for the academic misconduct. The student may accept the sanction(s) or may request a meeting with the Vice Chancellor of Academic and Student Affairs. The instructor’s supervisor will then send a copy of the Academic Misconduct Student Counseling Form to the Vice Chancellor of Academic and Student Affairs for further review.
 5. The Vice Chancellor of Academic and Student Affairs may either render a decision or refer the case to the Student Discipline Committee.

Disciplinary Sanction for Academic Misconduct

Sanctions for Academic Misconduct

After an Academic Misconduct Student Counseling Form is filed by the instructor, the following sanctions for acts of academic misconduct may be imposed upon students participating in academic courses for credit or audit at NLTCC by the instructor of record for the student:

- Probation and a “0” on the assignment/test will be given.
- Removal from the course in which academic misconduct has occurred. A letter grade of “F” in the course will be given.

The following sanctions for acts of academic misconduct may be imposed upon students in academic or technical courses for credit or audit at NLTCC only by decision of the Student Discipline Committee within the venue of a Student Discipline Committee hearing:

- Separation from the College for one semester. A letter grade of “F” in the course will be given.
- Separation from the College for not less than two semesters or more than two calendar years. A letter grade of “F” in the course will be given.
- Expulsion from the College. A letter grade of “F” in the course will be given. This action must be approved by the Chancellor.
- *Additional sanction options may be applied in specialized fields including Allied Health based on the programmatic handbook in Nursing, for example.

Assignment of Grade

If a student is charged with academic misconduct, and the case cannot be handled administratively or considered by the Student Discipline Committee prior to the final date for filing a semester grade, the instructor bringing the charge shall report an “I” grade in the course in which the alleged academic misconduct occurred. If the student is found not guilty, a permanent grade will be assigned to remove the “I” grade on the basis of the quality of work done in the course. If the student is found guilty of academic misconduct, the sanction determined by the Vice Chancellor of Academic and Student Affairs and/or the Student Discipline Committee will be applied.

Permanent Separation from the College

When separation from the College is the imposed sanction, students will receive an “F” in the course in which the academic misconduct has occurred. At the discretion of the Vice Chancellor of Academic and Student Affairs, all other courses will be dropped and a “W” grade will be assigned.

Due Process for Academic Misconduct

Applicable Geographical Jurisdiction

College disciplinary action shall be taken only for academic misconduct which takes place in the following areas or situations:

- College-owned or controlled property, all other remote sites, and all electronic or distance learning venues.
- Divisions and programs may also establish conduct standards for the student-department relationship, as long as these standards are consistent with the provisions of the Code of Student Conduct.

The Vice Chancellor of Academic and Student Affairs may dispose of the alleged academic misconduct as being unfounded, may impose administrative sanctions 1 – 2 without a hearing, or may refer the alleged violation to the Student Discipline Committee for a hearing.

The Vice Chancellor of Academic and Student Affairs will notify the student either orally or in writing of the date, time, and place of the hearing. The notice shall be sent by certified mail, return receipt requested, addressed to the student at the address appearing in official College records, or the notice may be sent via email. The notice will direct the student to appear before the Student Discipline Committee on the date, time, and place specified for the hearing. The notice will specify a hearing date no fewer than three, but not more than ten, working days after the receipt of the letter.

Prior to the hearing, the Vice Chancellor of Academic and Student Affairs or designee will inform the student of the following rights of due process:

- The student defendant has the right to a closed hearing.
- The student defendant has the right to appear at the hearing alone or with an advisor or friend. The advisor or friend may advise the student defendant but may not address the Committee.
- The student defendant has the right to argue on his/her behalf.
- The Chair of the Student Discipline Committee will inform the Vice Chancellor of Academic and Student Affairs in writing of the outcome of the hearing.
- The Chair of the Student Discipline Committee or the Vice Chancellor of Academic and Student Affairs' designee will inform the student of the outcome of the hearing.
- The student defendant has the right to appeal the decision of guilt or any sanction resulting from it to the Chancellor of the College by submitting a written appeal within four (4) working days of the decision of the Committee.

Disciplinary Policies and Procedures

The Vice Chancellor of Academic and Student Affairs is responsible for administration of student discipline including, but not limited to all academic misconduct cases and student discipline.

Initiation of Discipline Proceedings

3.1 – When the Vice Chancellor receives information alleging that a student(s) has violated any rule or regulation of this Code, the Board of Supervisors, the College, or its various divisions, the Vice Chancellor shall investigate the alleged violation.

3.2 – The Vice Chancellor may summon a student (either orally or in writing) to appear in connection with an alleged violation. The summons shall direct the student to appear at a specified date, time, and place.

3.3 – A student who fails, without good cause, to comply with a summons or letter of notice issued by the Vice Chancellor may be charged with a violation of Sub-section 1.18; and may be placed on disciplinary probation, temporarily suspended, or barred against readmission.

3.4 – The Vice Chancellor may dispose of a violation as being unfounded, may impose administrative sanctions without a hearing, or may refer the violation to a formal disciplinary hearing or formal academic misconduct hearing.

Definitions

3.5 – *Student*: any person enrolled in academic classes (full-time, part-time, audit, or credit).

3.6 – *College employee*: any person employed by the College including student employees.

3.7 – *College facilities*: all lands, buildings, and facilities owned, leased, or controlled by the College.

3.8 – *College activity, event, or trip*: any activity, event, or trip that is sponsored by the College or any division/organization of the College.

3.9 – *Student Discipline Committee*: committee composed of four faculty/staff/administration members, and at least one student member of PTK or SGA. The initiating administrator is an ex-officio member only. A quorum consists of the five members of the committee. Academic Misconduct is considered a behavioral issue, therefore, the Student Discipline Committee will hear Academic Misconduct cases.

Sanctions

Discipline sanctions may be imposed in response to sanctionable misconduct committed by students or a student organization. The purpose of imposing sanctions is to promote educational and social development of the student and the College community, to provide appropriate penalties, and to deter other acts of misconduct which thwarts the aims, purposes, and policies of the institution.

No refund or credit of tuition, fees, or other costs associated with attendance of the College will be made to students when discipline sanctions are imposed which result in the student's being deprived privileges and/or access to services.

In the case of serious violations, a notation of the discipline matter will be placed on a student's transcript until it is cleared. In case of dismissal from the College, the record is permanent.

Discipline records are confidential in accordance with federal and state laws. The contents of the student discipline record may not be released to anyone not associated with campus discipline except upon written approval of the student or a court-ordered subpoena.

Administrative Sanctions

The initiating administrator may dispose of a violation by imposing any of the following sanctions without a hearing:

3.10 – *Written Reprimand*: from the appropriate administrator to the student on whom the penalty is imposed, placed in the student's permanent discipline record.

3.11 – *Warning probation*: written notification that further violations of any sub-section of this code will result in more severe discipline action. Warning probation may be imposed for a period of not more than one calendar year.

3.12 – *Disciplinary probation*: written notification that further violations of any sub-section of this code may result in suspension. The terms of disciplinary probation shall be determined by the Vice Chancellor.

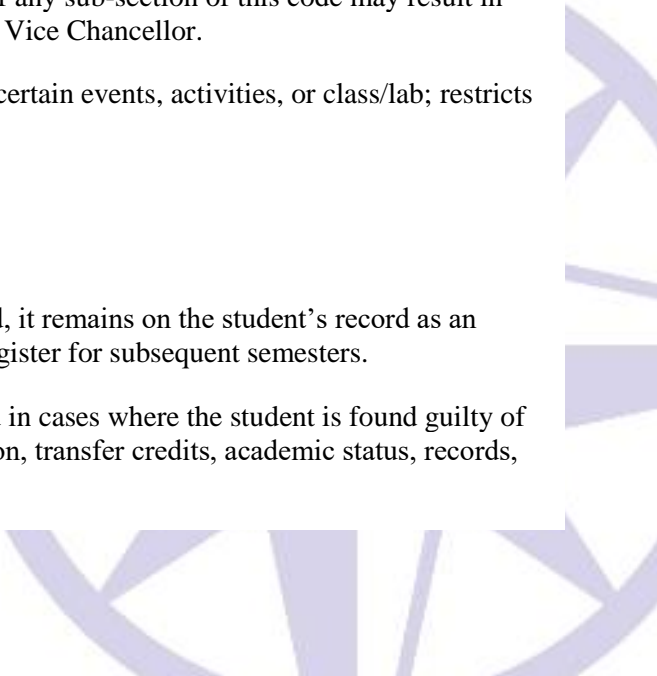

3.13 – *Suspension of privileges*: prohibits participation in or attendance at certain events, activities, or class/lab; restricts specific campus student privileges.

3.14 – *Community Service*: assigned a specific number of hours of service.

3.15 – *Restitution*: repair or replacement of property damaged.

3.16 – *Fines*: monetary fines to fit the particular case. If the fine is not paid, it remains on the student's record as an indebtedness to the College, which then renders the student ineligible to register for subsequent semesters.

3.17 – *Cancellation of registration and/or denial of credit* may be imposed in cases where the student is found guilty of withholding and/or falsifying information relating to the student's admission, transfer credits, academic status, records, etc.

3.18 – *Suspension*: may be used by the Vice Chancellor in the event of a threat of safety to the College community or if a student refuses to answer a summons.

3.19 – *Expulsion*: may be used by the Chancellor and/or the Disciplinary Hearing Committee in the event of a threat of safety to the college community. Most violations and infractions of behavioral standards are dealt with by administrative sanctions. The student may appeal the sanctions of the administrator and request a hearing before the Disciplinary Hearing Committee. Requests for appeals must be submitted to the administrator within four (4) working days of the notification of the administrative sanction.

Readmission Procedure for Involuntary Removals

A student may be involuntarily removed (suspension/expulsion) from the College in the event the student becomes a threat to the health and safety of the campus community. This does not apply to instructor initiated withdrawals due to non-attendance. If the student chooses to seek possible readmission, the student must petition for readmission in writing to the Vice Chancellor of Academic and Student Affairs no later than the semester *prior* to the semester in which the student wishes to reenroll. The student is *not allowed* to reenroll the semester immediately following the involuntary removal.

The student must submit or agree to one or more of the following:

- A meeting with the Vice Chancellor of Academic and Student Affairs or her/his designee.
- A full mental health evaluation, if applicable, signed and validated by a licensed mental health professional.
- Court records, if applicable, showing adjudication of criminal charges.
- Submission to a background check.
- A signed Conduct Contract submitted to the office of the Vice Chancellor of Academic and Student Affairs.

Once the document(s) are submitted, the student may be allowed to readmit by the Chancellor or the Vice Chancellor of Academic and Student Affairs.

If, after being readmitted, the student once again becomes a threat to the health and safety of the campus community, the student will be removed from the College and will not be allowed to reenroll for any future semesters.

At the discretion of the Chancellor, students dismissed for misconduct may be denied readmission. Students who were dismissed from Allied Health programs may be denied readmission to all Allied Health programs.

Disciplinary Hearing Procedures

In disciplinary cases involving a formal hearing before the Student Discipline Committee, the hearing is informal and will be closed. All deliberations of the committee are private. The standard of guilt is whether it is more likely than not that the violation occurred. The vote is by a simple majority vote of the members present.

Notice of Hearing

4.1 – The Vice Chancellor shall notify the student either orally or in writing, of the date, time, and place for the hearing and of the precise charges which have been lodged against him or her, stating where, when, and how the alleged violation occurred and citing the section(s) of the Code which were allegedly violated.

4.2 – The notice shall direct the student(s) to appear before the committee on the date, time, and place specified for the hearing.

4.3 – The notice shall be sent by certified mail, return receipt requested, addressed to the student at the address appearing in official College records, or the notice may be sent via email

4.4 – The notice shall specify a hearing date no fewer than three, not more than ten, work days after the receipt of the notice.

4.5 – In the event a student defendant does not accept his/her certified return receipt letter concerning the hearing, does not respond to an email or voicemail message, and/or does not appear at the hearing at the specified time and place, the student defendant will relinquish his/her rights to serve as the student defendant and to present his/her information to the committee, and the hearing will continue as scheduled. The student defendant will be notified of the decision of the Committee by the Chair or the Vice Chancellor of Academic and Student Affairs' designee.

Rights of the Student Defendants and Victims

4.6 – The student defendant and victim shall be informed of the due process rights as outlined below.

4.7 – The student defendant and the victim have the right to a closed hearing.

4.8 – The student defendant and the victim have the right to appear at the hearing alone or with an advisor or friend. The advisor or friend may advise the defendant or victim but may not address the committee, witnesses, or other parties.

4.9 – The student defendant has the right to know what documentary evidence will be offered against him/her.

4.10 – The student defendant and the Vice Chancellor have the right to offer evidence.

4.11 – The student defendant has the right to argue on behalf of himself or herself.

4.12 – The Committee members have the right to cross-examine each witness who will testify.

4.13 – The Committee members have the right to call/interview anyone not involved in the hearing who may have information that helps in the deliberation process.

4.14 -The student will be notified by the Chair of the Committee or the Vice Chancellor of Academic and Student Affairs' designee regarding finding of guilt or innocence and sanction imposed, if any.

4.21 – Expulsion: permanent, forced withdrawal from the College.

4.22 – Bar Against Readmission: written notification issued to a student who has left the College that he/she will not be allowed to re-enroll until the pending discipline matter has been resolved. The penalty terminates on clearance of the discipline matter. This sanction may also be imposed in cases of severe disciplinary infractions and/or in the event of a threat of safety to the College community. Students may appeal to the Student Discipline Committee for readmission to the College after one year.

Appeal Procedures

The student has the right to request to appeal the decision of guilt or any sanction imposed if any of the following apply: procedural error occurred; insufficient evidence to support the charge(s); sanctions imposed were inappropriate; information discovered that indicates that the administrator or committee members were not impartial. The appeal is based on the records of the investigation/hearing. No new evidence may be presented.

The student may issue an appeal by submitting the written appeal to the appropriate administrator within four (4) working days after notice of the sanction has been given (either verbally or written) to the student.

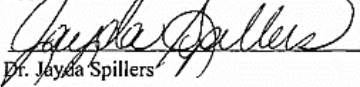

A student may issue a written appeal as follows:

- Decision of the instructor to the academic dean of the appropriate academic area.
- Decision of the academic dean to the Vice Chancellor for Academic Affairs.
- Decision of administrative sanction to the Student Discipline Committee.
- Decision of Student Discipline Committee to College Chancellor.

The LCTCS will allow for appeal of grievances to the Board of Supervisors of the LCTCS after all due process procedures at the institutional level are exhausted. The System staff shall then review the due process proceedings followed by the institution and submit recommendations to the LCTCS Board.
