

Policy No. 5.006

## Northwest Louisiana Technical Community College

---

### *Allowance Write-off Policy*

---

Original Adoption: February 10, 2008  
Effective Date: May 2, 2008  
Last Revision: October 16, 2019

---

#### **STATUTORY REFERENCE**

LCTCS Policy #5.009 titled "Allowance/Write-Off Policy" requires each of its colleges to establish an allowance for bad-debt and write-off policy. In addition, the policy requires notification to the LCTCS President of any single account to be written-off that is greater than \$5,000.

LCTCS Policy #5.008 titled "Accounts Receivable" requires that students, individuals or entities whose obligations were previously written-off by the College to repay their debt before conducting any further business with the College to whom the debt is owed.

Generally accepted accounting procedures (GAAP) require that revenues generated and expenses incurred in generating those revenues should be reported in the same reporting year. This is identified as the matching principle. In accordance with this principle, the College will use the allowance method for recording uncollectible receivables.

#### **POLICY STATEMENT**

Northwest Louisiana Technical Community College will utilize the allowance method to record the College's estimated uncollectible receivables. Annually, regional and campus accountants will analyze their accounts receivable accounts to determine which accounts are uncollectible. Those accounts, which are 180 days or more past due, will be fully reserved at the end of the year. If the account is still outstanding at 2 years, then a request to write-off the account is submitted to the Vice Chancellor of Finance and Administration

#### **GENERAL POLICY**

The direct write-off method will be used for accounts that are less than or equal to \$250. Since the direct method does not conform to the matching principle of GAAP, this method should only be used for uncollectible amounts that are immaterial. Immaterial for this purpose has been defined as \$250 or less.

When an accounts receivable amount that is greater than \$250 must be written-off due to it being uncollectible, such amounts are always recorded to the related reserve for doubtful accounts and not as a reduction of revenue.

Each campus is required to reconcile the balance in their reserve for doubtful accounts at least quarterly. The amount recorded as the reserve for doubtful accounts should be documented by the associated invoices that are deemed uncollectible.

All decisions to write-off an account are based on a review of documented collection efforts that demonstrate that due diligence was exercised in the pursuit of payment.

An accounts receivable may be canceled or adjusted versus written-off, because 1) the College is not entitled to collect the funds and was never entitled to collect the funds, or 2) the debtor qualifies for a waiver or refund. An accounts receivable will not be canceled to avoid the write-off procedures.

An accounts receivable amount is determined to be uncollectible when it meets one of the following criteria:

- i. All reasonable collection efforts have been exhausted.
- ii. The cost of further collection action will exceed the amount recovered.
- iii. The debtor cannot be located.
- iv. The debt was discharged in bankruptcy.
- v. The statute of limitations for collection of the debt has expired.
- vi. It is not in the public interest to pursue collection of the debt.

Determining that the debt is uncollectible does not cancel the legal obligation of the debtor to pay the debt, except as noted in criteria iv and v. NLTC shall continue to seek collection of the account.

In accordance with LCTCS policy # 5.008, NLTC must not conduct any further transactions with any student or public/private entity whose debt was written-off by the College until such debt is subsequently paid by the student or public/private entity.

## **DETAILED OPERATING PROCEDURES**

### **Establishment of the Allowance**

When an account is deemed “uncollectible”, it should be classified as “inactive” before being written-off.

When an account is classified as inactive, it should be fully reserved during the year in which it is classified as such.

The request to classify an account as inactive should be made by to the Vice Chancellor of Finance and Administration

If the request is approved, then Vice Chancellor of Finance and Administration, or his/her designee, will approve and post the journal entry.

**Write-Off of inactive receivables that are \$250 or less**

The Regional Accounting Manager/Regional Accountant should make the request to write-off an account that is \$250 or less to the Vice Chancellor of Finance and Administration

The request must document the collection efforts that have occurred on the account.

The Vice Chancellor of Finance and Administration will approve or deny the request and will notify the Regional Accounting Manager/Regional Accountant in writing of the decision.

If the request is approved, then the Vice Chancellor of Finance and Administration will approve and post the journal entry.

**Write-Off of inactive receivables that is greater than \$250 but less than \$5,000**

At the beginning of every year, each campus accountant must review their inactive accounts receivable accounts to write-off receivables that are less than \$5,000 that have been inactive for at least two years.

The Regional Accounting Manager/Regional Accountant should review the collection efforts and either approve or deny the request for write-off.

If the request is approved, the Regional Accounting Manager/Regional Accountant should submit the request to the Vice Chancellor of Finance and Administration who will either approve or deny the request.

If the request is denied, the Vice Chancellor of Finance and Administration will notify the Regional Accounting Manager/Regional Accountant in writing of their decision and the reasons for the decision.

If the request is approved, the Vice Chancellor of Finance and Administration will prepare the appropriate journal entries for the write-off.

**Write-Off of inactive receivables that are \$5,000 or greater**

At the beginning of every year, each campus/regional accountant must review their inactive accounts receivable accounts to write-off receivables of \$5,000 or greater that have been inactive for at least two years.

The Regional Accounting Manager/Regional Accountant should review the collection efforts and either approve or deny the request for write-off.

If the request is approved the Regional Accounting Manager/Regional Accountant should submit the request to the Vice Chancellor of Finance and Administration who will either approve or deny the request.

If the request is denied, the Vice Chancellor of Finance and Administration will notify the Regional Accounting Manager/Regional Accountant in writing of their decision and the reasons for the decision.

If the request is approved the Vice Chancellor of Finance and Administration will report the required information to the President of the Louisiana Community and Technical College System, in accordance with policy # 5.009.

## **REQUIRED JOURNAL ENTRIES**

### **Utilizing the Direct Write-Off Method**

DR 7809 Bad Debt Expense  
CR 14xx Accounts Receivable

### **Utilizing the Allowance Method**

#### **To record the allowance for the inactive accounts**

DR 7809 Bad Debt Expense  
CR 1401 Allowance for Doubtful Receivables

#### **To write-off receivables that have been deemed uncollectible and approved for write-off under the allowance method**

DR 1401 Allowance for Doubtful Receivables  
CR 14xx Accounts Receivable

If an account that was reserved through the allowance account and written-off is subsequently paid, then the following entries are necessary, in addition to the deposit of the funds received:

#### **To reestablish the receivable and the associated allowance account**

DR 14xx Accounts Receivable  
CR 1401 Allowance for Doubtful Receivables

#### **To adjust the allowance for doubtful accounts balance**

DR 1401 Allowance for Doubtful Receivables  
CR 7809 Bad Debt Expense
